

FIRST SWING

LEARN TO GOLF CLINIC

Wednesday, September 3, 2014
9:00AM-12PM
Desert Pines Golf Club
3415 East Bonanza
Las Vegas, Nevada

This 3 hour clinic brings golf professionals, physical and recreational therapists, and the physically challenged together to teach, learn and enjoy golf. It focuses on showing those with physical challenges that golf can be part, and should be part of their active lifestyle going forward.

- *Come learn or re-learn the game of golf using adapted techniques and equipment.*
- *Meet others who are working to develop new techniques to enjoy a sport they love.*
- *Holding the golf club and help overcoming challenges with appropriate grip.*
- *Learn about stance position-addressing the ball and set up with balance.*
- *Swing-standing and seated.*

**First Swing is made possible through our hosts!
OPAF and AOPA are hosting in partnership with
NAGA, WAGA and DAV.**
