

Lower Limb Prostheses - Draft Policy DL33787**Joint DME MAC Publication**

Posted November 05, 2015 [\(O&P\)](#)

On November 02, 2015 CMS announced the convening of an inter-agency panel to address clinical questions associated with the provision of lower limb prostheses. The DME MACs are delaying finalization of the draft Lower Limb Prostheses LCD (DL33787) pending the final report of the panel.

Additional information is available on the CMS website.
