

# Will your company be part of O&P History?

The 2017 AOPA Hosted World Congress will be especially memorable, as it marks AOPA's 100<sup>th</sup> Anniversary. Celebrations include a "Walk Through Time" exhibit, showcasing the developments, changes and breakthroughs in O&P during the past 100 years.

Don't miss this opportunity to remind attendees of your company's proud history and accomplishments. Purchase a display panel and/or showcase to share your rich history with O&P professionals. Let attendees see how your company has made significant changes in the lives of O&P patients and to the O&P profession.

Showcase \$2,750 **or** One three-sided panel \$2,750
