AOPA has paired up with Rainprotection Insurance for the National Assembly. All National Assembly exhibitors should carry general liability coverage from an insurance company in good standings. You received an email directly from Rainprotection last week offering Assembly exhibitors a special negotiated rate of just \$94 to become insured. If you didn't receive the email, you can sign up [HERE](#).

This program is valuable for:

- Exhibitors who do not have any insurance.
- Companies who do not have the time to deal with all of the certificate arrangements, and need coverage now.
- Exhibitors who find it easier or advantageous to use this program, rather than their corporate insurance; Similar to when you rent a car and do not want to use your own auto insurance.
- Should there be a claim, it will not tarnish your policy and rates. And, unlike most corporate policies, there is no deductible.

Should you have any questions please contact Catherine Cammareri at catherine@rainprotection.net or (800) 528-7975 ext. 107
