Why Partner with AOPA?

Support
Support the O&P profession by advertising with the national trade association representing O&P interests.

Advocacy
The *O&P Almanac* gets news straight from the source: AOPA's advocacy and other actions on behalf of O&P are reported firsthand in the *O&P Almanac.*

Content
High quality, educational content: *O&P Almanac* readers can earn 32 free continuing education credits every year—a valuable resource for clinicians.

Reach
AOPA offers a variety of marketing opportunities to reach more than 12,000 orthotic and prosthetic professionals, facility owners, and industry personnel each month.

Credentials
ABC and BOC are the primary credentialing organizations for O&P in the United States. AOPA is the only organization that gets an updated list of all credentialed practitioners every month from these organizations. This ensures your ad message is seen by the most current list of all credentialed practitioners, in addition to other O&P business professionals that are members of AOPA.
The O&P Almanac offers in-depth coverage of current professional, government, business and reimbursement activities affecting the orthotics, prosthetics, and pedorthics field. The Almanac is published by the American Orthotic & Prosthetic Association (AOPA), a not-for-profit association for O&P. All advertising revenue is used to support O&P activities such as government affairs on Capitol Hill, Medicare relations, and education sessions at the National Assembly. AOPA’s reimbursement and government affairs experts write articles exclusively for the O&P Almanac, which has kept the O&P community informed for more than 50 years.

O&P Almanac has the insight and experience to cover top issues happening now:
