Frequently Asked Questions

WHAT IS THE Certificate in O&P Business Management?

The Certificate in O&P Business Management is a comprehensive certificate program that offers a series of business and management courses to provide business managers, practitioners, and distributors an opportunity to explore crucial business challenges—from finance, sales and marketing to business operations, reimbursement policies and management.

The Certificate Program is similar to non-degree continuing education programs that universities offer in conjunction with their MBA programs. The courses are offered online, at the AOPA National Assembly, and at targeted seminars throughout the country (such as the Mastering Medicare: Essential Coding and Billing Techniques Seminar).

Through a unique partnership between AOPA and the University of Hartford this higher learning program has been customized to meet the specific needs of O&P professionals. Core Courses will be planned, organized, and executed by the University of Hartford and Elective Courses will be planned, organized, and executed by AOPA. Participants must complete (with a passing grade of 80%) a Core and Elective Course in each area of learning.

This unique leadership experience will provides an opportunity to learn fresh insights, new tools, and proven techniques for developing better business practices, while improving a company's returns.
