

HOW TO ACCESS GOEXPO THROUGH YOUR AOPA CONNECTION ACCOUNT!

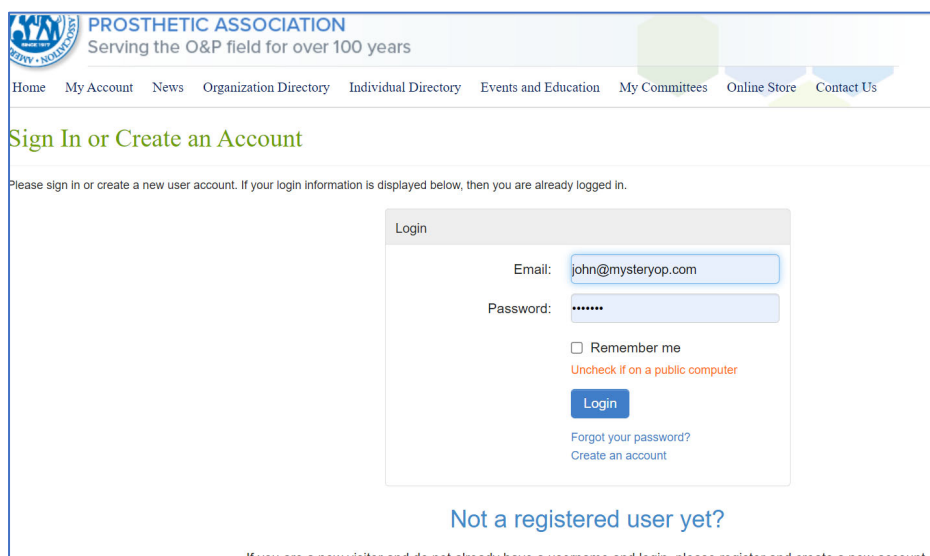

After your initial Assembly exhibit space booking, you will need to access to your *GoExpo* exhibit portal directly through your *AOPA Connection* membership account. All AOPA members/employees have their own individual login and password within *AOPA Connection*. Please follow these 4 easy steps below.

Step 1: Sign into your *AOPA Connection* Membership Account. Go to www.aopanet.org and click Members, then Member Log In.

Step 2. Provide your email (login) and password. If you don't know your password, click the "Forgot your password" link and you will automatically receive an email with instructions to reset your password (be sure to check your spam/junk as it may end up there). If you have problems accessing your account, please contact 571-431-0876 or assembly@aopanet.org.

If your organization is currently not a member of AOPA, you will need to create a non-member *AOPA Connection* account for your company. Click "Not a registered user yet?" and follow the instructions to setup an account.

Step 3: Once you have logged into your account, you will want to look under the “My Account Links” and select My Exhibits Central/GoExpo. This will take you directly to your *GoExpo* exhibit account. There will be no need to sign in again, as we have created a SSO (Single Sign On) process to make access easily accessible.

A bio section contains a short paragraph about pediatric care. On the right, a 'My Account Links' dropdown menu is open, listing various account features, with 'My Exhibits Central GoExpo' highlighted in a dark box.

Step 4: You should now be in your *GoExpo* account. You can easily go back and forth to your *AOPA Connection* account. As exhibitor information becomes available leading up to the Assembly it will be posted in the portal and accessible 24/7. After logging in, you can:
