### Patient Care Facility

This Membership Category is open to patient care facilities or firms principally engaged in providing orthotic and/or prosthetic care to patients. A patient care facility is eligible when the following condition is met: the firm employs a practitioner certified by and in good standing with the American Board for Certification in Orthotics, Prosthetics and Pedorthics, Inc. (ABC), the Board for Certification/Accreditation International (BOC), or employs a practitioner licensed by the state in which the facility operates.

### Supplier

This Membership Category is open to any eligible firm principally engaged in the manufacture or sale of materials, components, tools, or equipment used in fabricating orthoses or prostheses, or in providing other O&P

services that may qualify for supplier membership. Dues are based on annual gross sales volume.

### Supplier Start-up

This member category includes those supplier companies who are new to O&P. Eligibility is for 2 years, then advances to next member category based on annual sales revenue. New members only.

### Consultant

This membership category includes those supplier companies comprised of a single proprietor providing professional or expert advice earning less than \$500K annually. Consultants earning more than \$500K annually are assigned to the appropriate supplier dues category, based on annual revenue.

### International

This Membership Category is open to any firm meeting the requirements of the Patient Care Facility membership that is not located in a U.S. state or territory.

### Educational & Research

This Membership Category is open to any eligible program or organization engaged in performing research and/or providing formal education in orthotics and/or prosthetics that may qualify for membership.

### Affiliate

This Membership Category is open to any branch or subsidiary location of a Patient Care Facility, Supplier, or Educational & Research member. Dues are paid per location.
